[project muse the new woman portable property and the](#)

Abstract. This essay argues that The Spoils of Poynton (1897) can usefully be read in relation to the emergence of the New Woman and her demands for social equality, particularly her demand for equal property rights. James's novel treats the theme of female property ownership in terms of the new legal rights women possessed following the passing of the Married Women's Property Acts in 1870 and ...
